Raising Funds and Fun at the Rescue Regatta

Please join the Middlesex County Volunteer Rescue Squad on July 25-26 in a "race to the rescue" as the Rescue Regatta returns to Deltaville. Organizers expect to surpass the success of 2024 in both funds and fun raised.

Middlesex County Volunteer Rescue Squad has been a critical part of Middlesex County since 1956 as the volunteers and later, the Ladies Auxiliary, had the vision, time, energy, and sense of duty to serve the community. In turn, the volunteers have long drawn our support, financial and otherwise, from residents and local businesses. Now more than ever, the residents of Middlesex County have an incredible opportunity to do something truly meaningful and make a difference in people's lives. Those who volunteer know what a privilege that is.

Early on the evening of July 25 Fishing Bay Yacht Club (FBYC) will host a meet and greet for the regatta captains and crew where they will also learn of any final race details at the traditional skipper's meeting. Light refreshments, beverages, and entertainment will be on hand.

In the morning on July 26 skippers and crew will take to the water to race. FBYC will organize the course and officiate the race. Though not yet available, the Notice of Race and registration details will soon be posted at regattanetwork.com/event/29060.

After the race the festivities will continue at the MCVRS Station House. Smokin' Joe Davenport will be at the pit serving barbequed pork with all the right sides and dessert catered by the ladies of the MCVRS Auxiliary. Beer and wine will be offered along with the signature mixed drinks, Dark and Stormy and "Rescue Me."

Our emcee, Dave Rockafellow, and the Michael Clark Band Featuring Tracy Clark on vocals will carry the evening. Throughout the event attendees may place bids on offerings from the Rescue Regatta 2025 Live Auction. Many of the larger items to be offered will be posted online a few weeks before the event at rescueregatta.life.

For more information contact Tina Mennett, committee co-chair at connect@rescueregatta.life; click to rescueregatta.life for more.
