Rescue Regatta featured 32 sailboats

Sailboats jockey for position Saturday as they compete in the third annual Rescue Regatta near Fishing Bay Yacht Club in Deltaville. Thirty-two teams competed in the event, which is a fundraiser for the Middlesex County Volunteer Rescue Squad. "The wind was out of the north, so the whole race the sailors were sailing 'a reach,'" said Hartfield resident Bob Waldrop, who captured this image. The boat "Afterthought," skippered by Craig Wright of Hartfield, was the overall winner. To donate to the squad, visit https://rescueregatta.life/donate. To volunteer with the squad, visit https://www.mcvrs.life/. The squad and its auxiliary will install their officers at their annual banquet, which is set for 6 p.m. today, Thursday, July 31, at the Middlesex County Volunteer Rescue Squad building, 17684 General Puller Highway, Deltaville.
